Dear Mr. Solomon:

Attached hereto is a revised version of the proposed Joint Status Report. I have added an additional "legal issue" upon your suggestion. I do not agree with your statement that the legal issues raised in the Application to Vacate should not be included in the Joint Status Report. I have jointly drafted a number of these types of status reports in the federal system, and I find that the attached is consistent with practice of other practitioners. Because the attached needs to be filed within the hour, please advise me whether you will agree to sign off on the draft.
